RCI Responses to PCM:

Request for Proposal- Maintenance Renewals

- 1- Kaspersky endpoint Business Security 2023.**
- 2- Kaspersky for Mail Server 2023.**

Date: 17 january 2023
Proposal: Maintenance Renewal
Prepared by: Elie Dib
Customer: PCM
Issued by: Relational Computer International

About RCI:

The Company was formed in 1993, and has been steadily involved with the IT sector; RCI is ACCPAC & INGRES Solution Partners since 1993 and CA Partner since 1996.

RCI Company is led by professionals from the IT industry having ten to eleven years of exposure to the IT industry.

Relational Computer International was established with the goal of being the IT solution provider in the Lebanese market. We aim to provide the latest enterprise solutions to our customers with professional services.

The revolution of the Internet and e-Business as well as the growth of "Traditional" business applications are all helping evolve enterprise Information Technologies at an astounding rate with the expertise of RCI.

RCI provides a vast range of solutions that will help better manage your business and provide your customers with better services.

We Do IT ...

Our Mission:

Corporate's mission: RCI has ten years of experience in offering value-added CA products and services. It meets customer's both IT and business needs through its dedicated team of professionals.

We are committed to becoming a supplier of choice for innovative technological solutions in the Middle East region by providing public and private sector organizations value-added IT products and services that meet both their IT and business needs.

Our strong drive to provide the most reliable technological solutions through constant customer care and engagement will be the core element in our business mission hence supporting the bottom line of our esteemed clients across the Middle East region.

Our Vision:

- Add value to all customers by providing reliable and cost-effective enterprise management solutions as well as reducing Total Cost of Ownership (TCO) of IT.
- Aim to be the regional industry leader in the products and services we offer.
- Create a challenging environment within the organization for growth, prosperity and recognition. Retain professional resources to ensure availability of best services to our clients.

Our Objectives:

- To provide IT Solutions in Levant area.
- To provide ITIL (Best Practices) Solutions through CA Solutions.
- To support RCI's base of customers and to increase RCI's market share.
- To add value to our customers by providing reliable and cost effective solutions.
- To share value added IT Solutions that meet our customer's IT and business needs.
- Support the company's mission of engaging in technological innovations.
- Serve as an active resource for providing IT Solutions and related products.
- Gauge big success stories from customer satisfaction.
